

Union Colony Exchange Club of Greeley Golf Tournament

June 13, 2026 – Boomerang Golf Course

The Union Colony Exchange Club is a dedicated service organization in Greeley. Our club works to support local groups by contributing both our time and energy, as well as providing financial assistance. At the national level, Exchange's mission focuses on the prevention of child abuse. In addition, we are involved in various projects that promote Americanism, Youth, and Community Service.

Our fundraising initiatives enable us to support organizations such as Life Stories of Weld County, High Plains Honor Flight, and Weld Food Bank. We are also proud to serve as the primary sponsor for Wreaths Across America at Linn Grove Cemetery. Beyond financial support, our members actively participate in community efforts, including sorting food at the Weld Food Bank and wrapping gifts for Weld Elves.

Inaugural Golf Tournament Fundraiser

On June 13, 2026, we will host our first-ever golf tournament fundraiser at Boomerang Golf Course in Greeley. This event will feature a scramble format with teams composed of two men and two women. We are excited to partner with community members who share our commitment to making this tournament a meaningful and successful event.
