What You Need To Know...

A Word from the President

The end of the summer is almost here, and we have already accomplished a lot!

We were honored to have Don Koveleski, Division 4 Director, from our District Board, here on Sunday to lead our installation of officers. Don was happy to attend and serve in this role. I look forward to working with the board this year, working to provide good leadership for the club.

As we look toward September, our next project is the cornhole tournament at Wiley Roots. Our National President-Elect, Tony Parish, is going to be here and will serve as our MC. This is the fifth year of the tournament, and it continues to provide a fun event for our community AND it provides funds for us to use to support our local causes. I hope to see all of you there.

And speaking of funds, we came away from the America 250 | Colorado 150 event with roughly \$1900 for the club and we should have the Stampede funds soon. We also kick off the fundraising campaign for Wreaths Across America today, hoping to fund 1980 wreaths for Linn Grove this year. We are off to a good start, but still need about 1240 wreaths this year.

Please think about what projects you want our club to do and what projects you want to lead or participate in. I will post a google sheet for you to review and sign up for project leads.

Thank you for all you do for our club and our community. I appreciate every one of you!

This was such a fun and exciting weekend to be a part of. There were so many people who were able to learn about UCXC and it was a very successful day! Thanks to everybody who helped to make this such a success!

Its coming! We are working on gathering items for the silent auction, so if you have any ideas, or have obtained things already, please let Carolyn know! Also, spread the word for teams to sign up! Watch your emails for additional information leading up to the event!

Welcome to our newest member, Tina Holgerson! We are excited for you to be part of our club!!

IT'S FOOTBALL SEASON

Do you like football? And do you like to take chances? Well.....if you haven't already, please consider participating in the Four Corners District Football Pool. It's \$25 for all of the Monday Night Football games (17) plus the Super Bowl, with \$50 payouts for each MNF game and \$100 for the Super Bowl. The proceeds will help support the Youth Scholarships at the district. Contact Karen to reserve your square (or two or three) on the grid.

We are also doing the 33 Board again this year, to support our Veterans. We have 2 boards filled already, and would LOVE to get a 3rd board filled. If you haven't gotten in yet, and would like to, or know somebody who might be interested, please let Codi know as soon as possible, to know if we will have enough interest for a 3rd board. \$40 to get in, then the payout will be \$60 for any team that the final score ends on 33. If there are no 33's scored, the pot will roll over to the following week.
